

The following is a sample text ballot for the Saddle Up Texas Straw Poll. This ballot was designed as five (5) multiple choice questions focusing on the following Republican primary election types: President, U.S. Senate, U.S. House of Representatives (Congress), TX Senate, and the TX House.

Questions 1 - 5 each represents a text poll. To enter a text vote you must do the following:

1) Enter Keyword "**22333**" as the phone number you will text your vote to then enter Text Vote Code P000x for your choice for the Republican Presidential Nominee and send. Once you have submitted your vote for a Presidential Nominee you will no longer be able to text a P000x series code from that phone.

2) Under the same "**22333**" Keyword number, make your selection for US Senate (US0xx), US House (CDxxxx), TX Senate (SDxxxx) and TX House (HDxxxx) and hit send after each vote selection. Once you have voted in a particular election type (US0xx, CDxxxx, SDxxxx, and HDxxxx) the polling software will prevent a subsequent vote from that cell phone.

3) Go to www.saddleuptexaspoll.com after 5pm Saturday (January 14, 2012) to review the results of the Saddle Up Texas State-wide Straw Poll. (Note: These text vote results will be maintained separately from the Minute Maid Park Paper Ballot voting.)

Note that this text poll will not become active until 12 noon on Thursday 01/12/2012 and will remain open until 2pm Saturday 01/14/2012.
